

## New Parent Information Session Schedule

To learn more about Infant/Toddler Family Day Care and how you can become part of our family, reserve a spot at an upcoming Parent Information Session or call the office for other convenient options.

**What to Expect:** This information session will provide you with the knowledge you need to become an *educated child care consumer*. We will discuss *indicators of quality child care*, and will learn about resources available in our community to assist you in your search for quality child care. A comprehensive explanation of the **Infant Toddler System and Infant Toddler Resource and Referral** services will explain how to use our services. You will be given child care referrals during this meeting and we will discuss interviewing procedures.

### Thank You!

**Our Mission:** Infant/Toddler Family Day Care has been bringing families together with our network of experienced and professionally trained Early Child Care Educators since 1983. Our nurturing program provides care and early childhood development to children beginning at six weeks of age and beyond. With Infant/Toddler, children benefit from the special experience of forming lasting relationships with their Early Child Care Educators in a small, mixed age group setting where children learn and grow through play.
