Meet Our Executive Director

Ileene Hoffman

Welcome to our family! My name is Ileene Hoffman, and I serve as the Executive Director of Infant/Toddler Family Care. Before I co- founded Infant/Toddler, I was a fifth and sixth grade teacher in Prince George County. Later, when I began my own family I became a homebound teacher in Fairfax County. In 1983, I made the difficult choice to leave teaching and to indefinitely postpone work on my Master's degree to start Infant/Toddler Family Day Care. I have always considered this organization my "third child", as it has always held a place near and dear to my heart. It has been my utmost pleasure and good fortune to be able help Infant/Toddler Family Day Care grow into the wonderful organization it is today. Helping families find quality child care for their children is truly the best part of each day. Being able to witness the warm and nurturing relationships that develop between providers and children and watching as two families become blended into one, makes each day exciting and worthwhile.

I am here for you! We understand that the first few weeks in a new child care setting can be stressful. Please feel free to contact me at the office, 703-352-3449 extension #101, or by email, ihoffman@infanttoddler.com. I am usually in the office Tuesday through Friday. I look forward to meeting your child!
