

Meet Our Workforce Development Coordinator

Lisa Farinholt-O'Brien, LCSW

Welcome to our family! My name is Lisa Farinholt-O'Brien and I am the Workforce Development Coordinator at Infant/Toddler Family Day Care. I have been with Infant/Toddler since 2005. I work extensively with each new child care provider, by guiding them through our licensing process. Just as children grow and develop through their relationships with caring adults, I believe that the relationships I form with each child care provider will help them develop their professional skills. Watching the students grow and reach their professional goals is the most exciting part of my position.

My training and experience includes a Bachelor of Science degree in Social Work from Longwood University and a M.S. in Social Work from Washington University in St. Louis, Missouri. In 2009 I became a Licensed Clinical Social Worker. In addition I have spent four years working in residence life at universities and have also worked as a counselor at Planned Parenthood. During high school and college, I worked part-time at Infant/Toddler as an office assistant and later visiting child care homes.

I am here for you! We understand that the first few weeks in a new child care setting can be stressful. Please feel free to contact me at the office, 703-352-3449 extension 112, or by email, lfarinholt@infanttoddler.com.
