

Meet Our Respite Care Program Assistant

Megan Purdy

Welcome to our family! My name is Megan Purdy and I am the Program Assistant with the Marine Respite Care Program. My family and I have recently relocated to this area after residing in Kingston, Jamaica. There, I was employed at the U.S. Embassy. In addition to overseas living, we have had the pleasure of residing in several beautiful states, including Michigan, Colorado, Washington and Nebraska.

I have extensive work experience in law enforcement, human services, early childhood education and human resources. My Bachelor of Science Degree is in Human Resources. I have especially enjoyed working with children and families in Head Start programs in Washington and Michigan.

I look forward to helping you in taking advantage of this program designed to meet the needs of your very special family.

I am here for you! We understand that the first few weeks in a new child care setting can be stressful. Please feel free to contact me at the office, 703-352-3449 extension 119 or by email, mpurdy@infanttoddler.com. I look forward to hearing from you.
